

FERTILIZERS, FARM FEEDS AND REMEDIES ACT (CHAPTER 18:12)

Pesticides Regulations, 1997

APPLICATION FOR REGISTRATION OF A PESTICIDE

(To be submitted to the Registration Officer, in triplicate)

A. To be completed for all pesticides for which registration is sought

1. Name of applicant:
2. Address of applicant:
 - a) Postal:
 - b) Business:
3. Type of pesticide (fungicides, insecticide, herbicide etc):

B. Information to be submitted with this application for all pesticides for which registration is sought:

1. Brand name:
2. Full chemical name of each active ingredient :
3. The common name of active ingredient :
6. Percentage, on mass-by-mass or mass-by –volume basis, of each ingredient in the pesticide:
7. Physical and chemical properties of each active ingredient

Melting point:

Bulk density:

Vapour pressure in mm at 20°C:

Solubility in water and other solvents:

Effect of light:

Rate of degradation:

Disintegrated products:

Stability in aqueous solution, hydrolysis, disintegrated products:

Role of water pH:

Stability in organic solvents:

8. Physical properties of formulations containing oils:.....
.....
.....

9. Physical properties of formulations dusts or granules:

Appearance :

Odour:

Explosive properties:

Flash point:

Auto-ignition temperature:

Persistent foaming:

Solubility in water:

10. Size of containers in which pesticide is to be sold, and net mass:.....
.....
.....

11. Nature of containers in which pesticide is to be sold:.....
.....
.....

12. Stability of formulation:

a) On storage:.....
.....

b) On dilution.....
.....

13. Corrosion of equipment:.....

14. Phytotoxicity:.....

15. Toxicity:.....

16. Safety precautions to be observed in handling, using and storage:.....
.....

17. Hazards to wild life:.....
.....
.....

18. Residue data:.....
.....
.....

19. Proposed use:.....
.....
.....
.....

20. Directions for use:.....
.....
.....

21. Method of analysis:

Product analysis:

Residue analysis:

Source of the pesticides: a) Manufacturer.....

b) Country.....

I hereby apply for the registration, in terms of the Fertilizers, Farm and Remedies Act (Chapter18:12), of the pesticide particulars of which are given above, and I certify that these particulars are, to the best of my knowledge, true and correct.

Date..... Signature of Applicant.....

NOTE: The detailed information required in section B, must accompany the application. Any claims made for biological effectiveness and statements made regarding residues must be supported by detailed relevant experimental data
